I've cursed on a Sunday, I've cheated and I've lied

A E
I've fallen down from grace a few too many times

A D A
But I find holy redemption at Singalong with my friends

A E D A
Greetin' everyone with a warm hug and a smile.

A D A
Can I get a hallelujah? Can I get an amen?

A
Feels like the Holy Ghost runnin' through ya

E
When I sing along with my friends

A D F#m
I find my soul's revival singin' every single verse

D A E A
Yeah, I guess this is my church

A D A
When Hank brings the sermon, and Cash leads the choir

A E
It gets my cold, cold heart burnin' hotter than a ring of fire

A D F#m
When this wonderful world gets heavy, and I need to find my escape

A E D A
I just keep my heart singing, keep my voice ringing, 'til my sins wash away

A D A
Can I get a hallelujah? Can I get an amen?

A
Feels like the Holy Ghost runnin' through ya

E
When I sing along with my friends

A D F#m
I find my soul's revival singin' every single verse

D A E A
Yeah, I guess this is my church
